The Reno Elks Lodge: wants everyone to enjoy and participate in the success of our Pool. A couple of reminders worth mentioning to ensure our success and enjoyment this year at the Elks Pool.

1. When Member Elks, Spouse/Significant Other and their guests, acting in less than a civil manner with our hired Pool Staff, calling them names, rude conduct and just plain refusal of showing their membership card and paying for a guest is not acceptable conduct.

Our Pool Staff are hired to do a specific job and it is not their responsibility or authority to make exceptions.

If a member has a request that is outside the Pool Rules, they should be in contact with the Exalted Ruler, Lodge Secretary, or Pool Manager prior to taking an action outside of the rules. No reasonable request will be denied.

2. Remember, Your Membership Card is a means of Identification, it shows that you are a member in good standing, that it should be carried with you at all times, and that you cannot gain admission to this Lodge without one , additionally, **it is a requirement to gain admission to our pool.**

3. Every year the lodge is looking for volunteers to assist at the pool.

Assistance is needed from anyone with pool or spa servicing experience.

We are also looking for adults who can from time to time help with light janitorial work, which includes morning cleaning the pool deck, party zone, upper pool deck and the shower rooms to get the pool ready each day .

Give an hour a day, as many days a week that you might be willing to volunteer; your assistance will always be appreciated.

Please address any and all questions to our Pool Manager Robert Kronenberger at 775 622-7314.

Please Remember, WE ARE ALL MEMBERS OF THE RENO ELKS and we all have to abide by the same rules, and the people you see working around the pool are RENO ELKS MEMBERS who volunteer.
